

Course information for Erasmus students

ECTS

The Moholy-Nagy University of Art and Design has several partner [Partner Universities](#), and we apply the European Credit Transfer System (ECTS).

During an average Erasmus student mobility programme, students fulfil 30 ECTS here.

Throughout the application process, applicants should identify their main department and study level. (Eg: Photography, BA)

Exchange students should take course units **only from** their chosen Institute. (Media/ Design /Architecture / Theoretical)

All courses available for Erasmus students are in English

Course Units

MOME has course units at each departments. One unit comprises 4-5 courses. One unit worth 20 ECTS in total. (Except for Animation's spring semesters). It is obligatory to fulfil all course components of the unit.

To raise the credits, MOME offers some optional, practice-based theoretical courses. These are open to all students. Each theoretical course is worth 5 ECTS.

Some specifications:

Theoretical Institute main areas are:

- History and theory of art and design
- Sociology and psychology of the arts and the media
- Contemporary culture, communication and philosophy
- Creative industries and the art market

Animation department: can accept students for BA 3rd year and for MA 2nd year.

- Animation department offers an optional BA course for the Spring semester for extra 10 ECTS. It is not for beginners, the department's confirmation is required.

Ceramic / Metal are not open for beginners, previous experience is obligatory.

Textile department: has specialisations as below. Based on the applicant's motivation letter, the Institute will decide which is suitable for the applicant.
